To help safeguard your credit score, you can add LifeLock® Credit Score Manager™. With an industry-leading 360 degrees of security and distinct areas of protection, LifeLock offers more than just identity theft protection—it offers true peace of mind.

Our Core Product: LifeLock® Identity Theft Protection

Identity Threat Detection and Alerts

LifeLock alerts you whenever your personal information is detected on fraudulent applications for credit and/or services within our extensive network.†

Lost Wallet Protection

Helps you cancel and replace credit cards from a lost or stolen wallet.

Address Change Verification

LifeLock notifies you whenever there's a change of address with your information.

Advanced Internet Monitoring

Patrols over 10,000 criminal Internet sites for the illegal selling or trading of your information.

Reduced Pre-Approved Credit Offers

Requests your name be removed from pre-approved credit card offer mailing lists.

24/7/365 Member Service

Complete access to live and domestic identity experts.

\$1 Million Total Service Guarantee*

If you become a victim of identity theft while you are a LifeLock member because of some failure or defect in our service, we will spend up to \$1 million to hire experts, lawyers, investigators, consultants and whoever else it takes to help your recovery.

Upgrade Your Protection with LifeLock® Command Center™

LifeLock® Command Center™ protection includes all of the core services of LifeLock® service plus it provides expanded monitoring and alerts if your information is compromised.

Public Database Monitoring

LifeLock scans the following databases for the misuse of your personal information:

Payday Loan Records

LifeLock notifies you of any payday loan activity associated with your personal information.

Public Records

LifeLock monitors previous address information to ensure it is not being used for fraudulent purposes.

Alias Records

We check public sources to ensure no one is using your identity as an alternate name.

Court/Criminal Records

We search for criminal history linked to your identity to help protect you from being falsely associated with criminal arrests and convictions by identity thieves.

Sex Offender Registries

LifeLock compiles a report of any registered sex offenders in your area.

Data Breach Detection

LifeLock monitors Peer-to-Peer file-sharing networks for files containing your personal information. If we detect a breach, we will alert you and provide corrective guidance.
